Subject: COI Certification for the USS Lead Site OU1 Site, East Chicago, IN
U.S. EPA Contract No. EP-S5-06-01, WA No. 226-RARA-053J

Dear Michael,

This letter is in response to receipt of new Work Assignment 226-RARA-053J for completion of the soil remedial action activities in Zone 3 of the USS Lead OU1 Site located in East Chicago, Indiana. The PRPs identified for the soils remediation work at Zone 3 site are USS Lead, Chemours, and Atlantic Richfield Corporation (ARCO). While DuPont has shifted its liability to Chemours, DuPont is still the signatory of the Site Consent Decree. In addition, ARCO has been acquired by British Petroleum (BP). As a result, CH2M has also included both BP and DuPont in its COI evaluation.

[REDACTED]

Based on the review of information, CH2M does not believe there is a conflict of interest relative to completion of the subject work assignment. CH2M further certifies that personnel performing work under this assignment or relating to this assignment have been informed of their obligations to report personal and organizational conflicts of interest to the Program Manager.

CH2M recognizes its continuing obligation to identify and report any actual or potential conflicts of interest that may arise during performance of the work assignment or other work related to this site.

I trust that this letter adequately addresses the COI review for CH2M. If you have any questions on this information, please let me know.

Regards,

[REDACTED]
